Videobotschaft zum IKT von Stammapostel Jean-Luc Schneider

Zurich/Munich. "With great joy and anticipation I look together with you to the coming Pentecost." These are the first words in a video message, which Chief Apostle Jean-Luc Schneider sends to all participants of the first International Church Convention of the New Apostolic Church. It will take place in Munich in June 2014.

The Chief Apostle smiles into the camera and heartily welcomes to the International Church Convention in Munich on Pentecost. On the website of the ICC it is quoted: "What have Kevin from Austria, Samantha from the USA, Chris from South Africa, and Svenja from Germany got in common? They have all been invited to the International Church Convention 2014 – by the Chief Apostle personally."
