

Zurich/Dortmund. Imagine you are travelling, have some free time, and want to check something in the Catechism or simply read from it. No problem! As of right now, you can leave the book at home! Just download the free App or eBook onto your smart phone or tablet and you will always have handy access to the Catechism.

The Catechism of the New Apostolic Church provides sound information about the New Apostolic faith. The various aspects of the New Apostolic doctrine are presented and explained in detailed format. This book is therefore just as suitable for use as a reference work as for deeper reading and the study of theological issues. Anyone interested in researching specific doctrinal topics will quickly find reliable information in it.

App for iOS and Android

As of right now the Catechism of the New Apostolic Church is available online here at this website, or as an App or eBook. The Catechism App is available free of charge for Android and iOS devices (iPhone, iPod Touch) in the Google Play Store and the App Store. The App can be downloaded in the English, French, German, Portuguese, and Spanish languages. An App version optimised for iPad is expected to be available by the end of May 2013.
