Pentecost 2010: "I bid you a hearty welcome"

Zurich/Cape Town. "My dear brothers and sisters, dear friends around the globe, I bid you a hearty welcome to the feast of Pentecost 2010 which will be hosted by the New Apostolic Church in Cape Town." With these words District Apostle Noël E Barnes addresses the viewers of the Pentecost video 2010.

Within three and a half minutes he describes what is planned in the South African city of Cape Town on Pentecost this year: an International Apostles' Meeting on Friday, a Pentecost concert in our church in Silvertown on Saturday, and the Pentecost Divine Service in our church in Tafelsig on Sunday.
