Zurich/Chicago. The Rosemont Theatre near Chicago's metropolis of millions was fully occupied for this special event, the Pentecost service 2009. The service was transmitted to North and South America via satellite. For the first time, it was also available through live audio-video streaming over the internet.

Chief Apostle Wilhelm Leber referred a pentecost message to all New Apostolic congregations around the world, which was taken from 1 Corinthians 15: 57: "But thanks be to God, who gives us the victory through our Lord Jesus Christ!".

Here, you can see a few parts of the divine service in [high version \(640x480\)](#) or in [low version \(320x240\)](#).
