Audio recording of divine service in Birmingham

Birmingham. The audio recording of the divine service by Chief Apostle Wilhelm Leber on 18 June 2006 offered by the New Apostolic Church in England is approximately 1 hour and 50 minutes in length. It was in this service that the international Church leader granted Karl Hoffmann, District Apostle Helper in the District Church of the USA, a well-deserved retirement.

Chief Apostle Wilhelm Leber conducted the divine service in the Bethel Convention Centre in Birmingham in English, although he “was no master of Oxford English,” as he said. Now the Church in England is offering an audio recording of the service, which can be downloaded in three different levels of sound quality.
