Zurich/Cape Town. With a seating capacity of 4,000, the New Apostolic congregation in Tafelsig (Cape Town) has the largest church building of the New Apostolic Church anywhere in the world. It was there that Chief Apostle Wilhelm Leber conducted the divine service on Pentecost 2010, which was transmitted by satellite to approximately 5,000 other New Apostolic congregations around the globe.

Here, you can see [a few parts](#) of the divine service (12 MB).
