Apostle Cardale's Position

Ca
Home > Church > Bulletin board > Apostle Cardale's Position within the College of Apostles

Zurich. In the German edition of our church periodical "Our Family" of 20 January 2008 an article was published entitled "Apostle Cardale's Position within the College of Apostles". In it, the authors show that this apostle held a special position among his fellow apostles, being the first-called and "pillar" of the apostles.

Here we publish an [annotated English version](#) of that article.
