

Mayflower. The Mpumalanga South area hosted a festival on 2 December 2006. Organised by the local HIV/Aids committee, the event was held at the Mayflower Community Hall. It was part of a drive to both create awareness and educate our members about HIV/Aids. The highlight of the event was the annual speech contest held for the Youth.

The topic for 2006 was dealing with teenage pregnancy, HIV/Aids and poverty in the 21st century. Eight contestants delivered their speeches to a group of 80 people. The 2006 winner was Precious Dube of Mayflower District.
