Cleveland. Chief Apostle Wilhelm Leber will visit the city of Cleveland, Ohio where he will conduct a Ministers' and Wives' Service, as well as the Service for the Departed. Accompanying our Chief Apostle will be the District Apostles Andrew Andersen and Richard Freund. Both services will be transmitted to the USA District as well as the United Kingdom and Ireland.

The Cleveland website publishes an article and welcomes the Chief Apostle. This will be a special weekend for our brothers and sisters in that Chief Apostle Hermann Niehaus last visited in 1909: "We greatly anticipate his coming!"

The tri-district concert choir and orchestra, accompanied by the tri-district Junior choir, will give a concert to all the members that wish to stay after the conclusion of the divine service on Sunday, March 4th . The concert will start approximately 20-30 minutes after the conclusion of the divine service.

There is exciting news! Our Chief Apostle Leber has given approval for all retired ministers and wives who are registered for Sunday, March 4, 2007 service to also attend Saturday's minister and wives service on March 3, 2007. The service will begin at 2:00pm EST, and transmitted via satellite to various locations.
