Home > Church > Bulletin board > Discussions with "Rainbow-NAC"

The international Church administration, represented by the Committee for special affairs, meets for regular discussions with "Rainbow-NAC", an initiative of gay, lesbian, bisexual, and transsexual Christians predominantly from the New Apostolic Church. There was another such discussion between the two groups in Frankfurt on Tuesday, 13 March 2006.

The various points addressed during this discussion have been listed in a communiqué which both parties have agreed to publish. [Read the communiqué here.](#)
