Zurich. "But he who endures to the end shall be saved." This Bible passage from Matthew 24:13 is the chief apostle's message to this year's confirmands in the New Apostolic Church.

After the festive blessing they receive at confirmation, these young Christians will be warmly welcomed into the circle of the youth in the various congregations.

It is a beautiful custom in the New Apostolic Church that the chief apostle writes a [letter to the confirmands](#) on this occasion. We wish all confirmands much joy and blessing!

We invite our German readers to read the [comprehensive article on the subject of confirmation](#), which appeared in our Church magazine "Our Family".
